**Knaack L.L.C. Announces New Limited Lifetime Warranty  
for WEATHER GUARD® Truck and Van Products**

CRYSTAL LAKE, ILL. – March 2009 – Knaack L.L.C. recently announced its new limited lifetime warranty for all WEATHER GUARD® truck and van products purchased as of January 1, 2009.

The new limited lifetime warranty ensures that WEATHER GUARD products will be free from defects in material and workmanship for the expected lifetime of the product for as long as the original purchaser owns the product. The warranty will not be transferable to another owner. The new warranty improves upon Knaack's prior warranty, which was three years.

Knaack will correct defects in materials or workmanship by repairing or replacing the defective product without charging for parts or labor. As an option, Knaack may issue a refund equal to the purchase price paid for the product or a credit to be used toward the purchase of new WEATHER GUARD truck or van storage equipment.

"The WEATHER GUARD truck and van limited lifetime warranty is a customer-focused improvement from our previous warranty coverage," said Bill Zbylut, vice president, marketing, Knaack L.L.C. "By offering a limited lifetime warranty on all WEATHER GUARD truck and van products, we are instilling confidence in our customers that they can rely on us to provide high quality, durable products free from defects in material and workmanship throughout the lifetime of the product."
